

ABOUT LAUREN CONRAD:

Lauren Conrad was just like any other ordinary high school girl when she was thrust into the spotlight by joining the cast of the hit reality show *Laguna Beach: The Real OC*. From there, she went on to headline MTV's most successful reality show: *The Hills*; grace magazine covers like *Seventeen*, *US Weekly*, and *Cosmopolitan*; and design her own fashion line.

In 2010, Lauren added bestselling author to her list of accomplishments, when her debut novel, *L.A. CANDY*, climbed the charts to number one on the *New York Times* bestseller list. *L.A. CANDY* unveiled a behind-the-scenes look at the life of a reality star, told through the eyes of Jane.

In *SWEET LITTLE LIES*, the follow-up to *L.A. CANDY*, Jane Roberts has become a full-fledged celebrity. And with fame comes perks—and problems. The fabulous life may include VIP treatment, but suddenly, Jane is in the spotlight and not quite sure who she can trust.

In addition to being a reality TV star and novelist, she also designs an exclusive clothing line for the Kohl's department store. Lauren has graced the covers of *Cosmopolitan*, *Glamour*, *Rolling Stone*, *Seventeen*, and *Entertainment Weekly*, among others. She lives in Los Angeles.
